

This week we have been learning our English through our History topic, The Titanic. On Monday we received an exciting box from the Seacity Museum in Southampton which contained lots of exciting artefacts. We weren't sure what the objects were so we wrote lots of questions about them.

We enjoyed role playing different passengers from the Titanic. It helped us to imagine what life on board the ship would have been like for 1st, 2nd and 3rd class passengers. The teachers pretended to be passengers from the Titanic and we interviewed them, asking them about their voyage.

We used everything that we had learnt to write a postcard as if we were a passenger.

In Maths this week we have been solving pictorial problems, worded problems and number sentences using multiplication. We could use our knowledge of counting in 2s, 5s and 10s to help us.

e.g

$5 + 5 + 5 =$

$3 \times 5 =$

During Art we have been learning the techniques for quilling and we got to produce our own pictures.

We would like to say thank you for your generous donations to the Fareham and Gosport Food Bank.
