

Week beginning 5<sup>th</sup> March

This week in Maths we transferred our knowledge of place value to recognising the value of money. We have been using ten pence and one pence coins to show the value of a given amount.

The focus in English has been on looking at Kennings poems. The phrases used give us clues about the subject without mentioning it. Each line of the poem is made up of a two word phrase, the first word being a noun followed by a verb. We look forward to you reading our kennings poems on Mothers' Day.

We all looked wonderful in our green clothes for 'Green for Grenfell' on Friday. Chris Secrett came in to talk to us about his role as a firefighter. Thank you for all the kind donations given.

We hope you all enjoyed listening to us perform our songs during 'Mothers' Day assembly, we certainly did!
