

Week beginning 16<sup>th</sup> April

The focus in Maths has been learning about capacity, where we have been using language such as full, half full and empty.

In English we have been learning about past and present tense. On Monday we wrote some holiday news using past tense. We have also learnt past tense words end with 'ed' such as 'jumped' and present tense words end with 'ing' such as 'jumping'.

During History we watched a power point about The Great Fire of London, learning lots of facts. Some of us used wooden bricks to re-create the streets of London, while others took part in role play retelling the story. Working in pairs we also completed a computer game all about The Great Fire. The following link will take you to the game.

<http://www.fireoflondon.org.uk/game/>

In Dance we put movements to music creating our own fire dances, before learning the Lambeth Walk. We would very much appreciate it if you could practise the steps you have already learnt to the Lambeth Walk.
