

This week in Maths we have continued our work on fractions. We have used a fraction wall to help us find the fraction of a number.

$$\frac{1}{2} \text{ of } 12 = 6$$

$$\frac{1}{3} \text{ of } 12 = 4$$

In English we have been using the book "The Queen's Hat" by Steve Antony to help us learn when to use possessive apostrophes. We changed at least one of the elements in the book, e.g the hat for a handbag, and then wrote our own version of the story. We had to remember to use the possessive apostrophe where appropriate.

Our R.E work has focused on the Easter story. We have thought about a time when we were sad but then our feelings changed to happiness. We then related this to the Easter Story and thought about how Christians went from being sad on Good Friday to being happy when Jesus came back to life. We also celebrated Easter with a special assembly from the Reverend England from Holy Rood Church.
