

Welcome back. We hope that you had a good Easter holiday.

This week in English we have been learning about how to use commas when making a list. We wrote our own lists to show that we had understood.

When I went to Florida on holiday
I took a T-shirt, goggles, sun cream
and a hat.

The Owls and Badgers have been trying to persuade Mrs Halton where to go on holiday. The Badgers wanted her to go to Florida and the Owls thought that she should go to Australia. To help us convince her we talked about all the things we knew about the countries and then wrote a report using persuasive language. Which one of our suggestions will she choose?

In Maths we have been working on number sentences using all four operations. We used a range of strategies to help us solve them correctly. Please speak to your class teacher if you would like to know how you can support your child with this at home.

We have decided to give the children a variety of homework this term, so the spellings homework has been put on hold for now! Please look in your child's book bag for the latest homework.
