

On Wednesday this week, Year 2 walked to Crofton School to watch a musical concert performed by the pupils. We all sat listening intently and thoroughly enjoyed the music especially when the choir sang a song from the Greatest Showman. Quite a few of us thought that we might like to learn how to play a musical instrument when we are older.

The World Cup has continued to influence our learning and this week in P4C we looked at pictures where footballers are crying. We then came up with our own questions that we would like to discuss.

On Thursday we were very excited to visit the Junior School for the whole morning and spend the time working with our new teachers. We were allowed to choose where to sit and we wrote all our favourite things on a flag so that our teachers can get to know us and what we like. When we were returned to Owls and Badgers we were very keen to tell Mrs Douglass and Mrs Hughes all about it.

In PE we have continued our cricket coaching and we have also been learning tennis skills with Mrs Reeve.
