

Week beginning 29th October

Maths

This week our focus has been on 2D shapes and symmetry. We learnt about the properties of 2D shapes and how many sides and vertices each shape has.

English

We have been exploring poetry, with the main focus being on writing our own poem as a remembrance to World War 1. We began by exploring noun phrases to describe life in the trenches. Next we planned our own poem using adjectives, nouns and verbs before finally writing our own poem and decorating it.

PE

For this half term we will be learning how to play hockey and use the hockey stick correctly.

We will also be focusing on dance. This week we all enjoyed learning how to do the 'Haka'.

Handwriting

Excellent progress is being made with our handwriting, we've nearly completed the whole alphabet. This week we learnt how to join 'x,y and w'. We really persevered with these letters!

Reading Activities

We listened to the story 'Old Bear' by Jane Hissey which we all enjoyed. Some of us had the opportunity to go on Bug Club, we completed activities where we had to select appropriate words to complete our own sound stealing poem and we identified noun phrases in a poem which described a dog.

Rocket Reward

Our treat was playing in the forest. Congratulations to everyone for reaching the moon.
