

Week beginning 11<sup>th</sup> March

On Monday we visited Southampton Art Gallery. Whilst there we had the opportunity to explore the gallery in small groups with our adults, we discussed texture, warm and dark colours and real and abstract pictures. We were lucky enough to visit the Leonardo Da Vinci exhibition that is currently in the gallery on loan from the Queen. Everyone enjoyed the bus trip and having their lunch out of school.

This week in school we have been preparing for our very own art gallery by beginning to make our own portfolio of the pictures that we will exhibit.

PE

On Wednesday we played Dodgeball in the hall and on Thursday we did a variety of different activities in a circuit.

English

We have been learning how to use commas in lists. First we had to complete a variety of sentences listing the objects in the sentence and using a comma appropriately. Then we had to write a description of the 'Common House Brownie' and use a comma appropriately.

Maths

We focused on solving number sentences using all the mathematical operations we had learnt, we practised using the symbols for addition, subtraction, multiplication and division.

Red Nose Day

Some students from St Vincent College joined us to support us participating in a fun run. Everyone looked really good in the running clothes, unfortunately we couldn't run on the field due to the weather but it didn't stop us running on the playground! Well done to everyone who participated and a big thank you to everyone who donated money.
