

Week beginning 18<sup>th</sup> March

### English

This week we learnt about a possessive apostrophe. We learnt that when we're talking about something that belongs to someone, we use 's, e.g. The teacher's pens were good.

We listened to the story *The Smartest Giant in Town*, we had to draw our own story map but change a few animals in preparation for rewriting the story ourselves.

### Drama

A lady from the drama workshop came on Monday morning to work with us, we enjoyed role playing being super heroes and saving the planet from climate change.

### Maths

We challenged ourselves to solve a variety of number sentences with mixed operations, we used various strategies that we've learnt throughout the year to solve them.

### Science

We learnt about Forces, especially pushing and pulling. We enjoyed exploring the classroom and testing a variety of objects to see whether it was a push or a pull.

### PE

We played Dodgeball outside on the playground and made the most of the good weather. On Thursday we had to show different ways of keeping fit by using a variety of PE equipment.

### Reading Activities

We completed an activity around the story *the Smartest Giant in Town*, we had to describe the giant's personality and then describe a giant that was opposite to *George*.
