

Crofton Hammond Infant School

School Governors' Skills List 2018-19

Name	Skills	Personnel Pay & Performance Management	Buildings, Grounds & H&S	Resources	Curriculum
Jacky Halton	Headteacher Governor	✓	✓	✓	✓
Paul Harris Chair and Co- opted	Strong IT - based on ongoing employment Medium Interview - from previous employment (2 years interviewing candidates several times per month) Basic Finance - Reading balance sheets, reconciling P&L, etc. from University.	✓	✓	✓	
Jo Magan Vice Chair Local Authority	With many years of public sector experience, I am very familiar with the financial and performance requirements within the school community. I strongly believe in the importance of communication and team-working and use my strong analytical skills to support the work of the governing body, in both the curriculum and finance.			✓	✓
Lucie Collins Co-opted		✓		✓	✓
Sam Higginbottom Co-opted	I currently work in a local school as the Finance Officer. I have a strong understanding of how finances are managed, monitored and reported within a local authority school setting. I also have a keen interest in KS1 education and curriculum.	✓		✓	
Jonathan Pearce Parent	I am a qualified Primary School Teacher and therefore have a keen interest in education. I also run my own publishing company.				✓

Stefanie Read Parent	Business and Project Manager in the banking sector and local government, incorporating HR, marketing and budgets. Professionally trained Opera Singer and Teacher.				✓
Martin McBeath Parent	I have 12 years teaching experience from EY to KS2 and now work for Hampshire Music Service, teaching National Curriculum music and peripatetic guitar. I also have experience in governance, having previously served as a Staff Governor on various committees.				✓
John Mitchell Co-opted	Planning, organizing and chairing working groups for National and International Conferences. People skills and listening skills in maintaining 24 hour cover for telephones for a charity relying on volunteers from Portsmouth and the Isle of Wight. Training, and supporting graduate and post graduate students engaged in medical research. A team worker whilst serving as a referee for the Medical research Council and the Wellcome Trust Foundation in deciding which grant applications should be funded. Interviewing and performance management skills of staff.	✓	✓		✓
Margaret Hyde Co-opted	A retired Science teacher. I am interested in the school management, including site management and personnel. I listen to children read in Year 1 on a weekly basis. I also run an After School Knitting Club for a small group of children.	✓	✓		✓
Julie Syms Co-opted	I am a member of Staff (Assistant Headteacher) with responsibility for Key Stage 1.			✓	✓
Shellie Morris Co-opted	I am a qualified teacher and worked in a mainstream school before completing further training to become a teacher of children with hearing impairment. I am now an Advisory Teacher and support parents and schools. I also have experience in working with Special Needs, working alongside other professionals in both education and health.	✓			✓
Craig Pollard Co-opted	I am employed as a Business Manager for a large company. This involves leadership, financial and project management, performance reviews and project management.	✓		✓	

Ruth Halbauer Staff Governor	As a teacher I specialise in Key Stage 1. I am also an external moderator for Maths.				✓
