

Week beginning 16th September

Welcome to the year 2 blog.

Maths

We have been learning about partitioning, splitting two digit numbers into tens and ones.

English

We have been learning about Conjunctions, this is where two sentences are joined together by a joining word. We also read the story 'Little Mouse's Big Book of Fears'. Next we wrote our own sentences about our fears but we had to use a conjunction and 'wow' words as an alternative to 'scared'.

Science

We began to focus on our longitudinal study, this year we are focusing on three different areas within our school grounds and exploring what mini beasts will be found there throughout the seasons to see if there are any significant changes.

Handwriting

This week we have practised writing the letters r, i and h.

Music

The focus has been dynamics, thinking about loud and quiet and crescendo and diminuendo.

Spelling

We are learning to spell 'some, come' and 'there' correctly.

PE

Wednesday's PE lesson was focusing on gym and on Thursday we all participated in Cricket.

Reading Roundabout

All the activities were based on the story 'Katie in London', comprehension questions and sequencing activities were completed.

Reward Time.

Congratulations to everyone for working so hard this week, Owls had the opportunity to learn the Ukuleles whilst Badgers enjoyed the sunshine.
