

Week beginning 14th October

English

We began the week writing a recount of Mrs Derbyshire's visit from last Friday when she talked about her experience of living in Cape Town. The objective was to include all the information and use time connectives correctly.

Towards the end of the week we began learning about what a setting is, in preparation for next week's English objective.

Maths

The focus has continued to be on addition and subtraction, this time we either added or subtracted a 2 digit number to/from another 2 digit number. We had to iconically record our workings out.

Topic

Following on from last week, when we designed our own African pattern, this week, we had the opportunity to print them onto paper. The next step will be to print these patterns on to material.

Handwriting

The focus continues to be on the letters with lead in and lead out strokes.

PE

We are continuing with gymnastics on Wednesday and cricket on Thursday.

Reading Roundabout

We listened to the story 'Little Red Riding Hood Was Rotten' and then completed activities based on the story.

RE

On Friday, the whole day was dedicated to Religious Education.

We began the morning sharing our special books and explaining why they were special to us.

We then learnt about a special story for Hindus. We listened to the story of 'Rama and Sita' and learnt about how they celebrate its message through Diwali. We had the opportunity to learn some 'bollywood' dancing, we made rangoli patterns, clay pots, and designed mehndi patterns on hand prints. We also made lanterns.

Spellings

Please remember to bring your spelling folder back to school on Monday mornings.
