

Week beginning 14th October 2019

English

- This week we have been sequencing the harvest process and writing sentences to go with the pictures. We have been teaching the children to edit their work with support.

Maths

- This week we have been learning to add numbers together using a number line.

Phonics

- This week we have been practising all the digraphs we have learnt so far.
- We looked at the digraph ie and talked about how it makes two sounds.

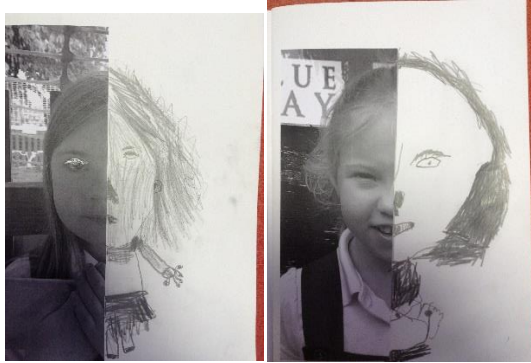

le ie the chief is a thief

And also

le ie tie in my pie

Art

- This week in art we have been looking at portraits. The children were given a photo of one half of their face and using a pencil they sketched the other half of their face.

History

- In history we have been learning about Kings and Queens and all things Royal.
- We were lucky to have a big case full of artefacts for the children to explore.
- We learned facts about King Henry VIII, Queen Victoria and Queen Elizabeth II
