

Week beginning 30th September 2019

English

- This week we have been looking at fiction and non-fiction books. We have been identifying features of a non-fiction book such as the contents page and the index page.
- We looked at some pictures of kings and queens and the children wrote bullet point on what they noticed.

Maths

- This week we are continuing to count forwards and backwards from 20.
- We are asking the children to identify and represent numbers using objects and pictorial representation.
- We are challenging the children to identify one more and one less of a given number.

Phonics

- This week the spellings words are – my, by, of, off and all.
- The year group has been learning about these digraphs - ay, ai, a-e. They were taught some catchy rhymes to help them remember them.

ay ay, stay and play.

ai ai snail in the rain.

a-e a-e make a cake.

Science

- This week we have been looking at the properties of different materials. The year group sorted things from the classroom into different groups.

Red, White and Blue day

On Friday we had an amazing Red, White and Blue Day. We were extremely lucky to have lots of service personnel in school. The whole school had the opportunity to learn about engineering, robots, marching, diving, firefighting, cricket, lifeboats and rivets. We made flags and decorated cakes. The highlight of the day was the helicopter landing on the school field. The day finished with the infants and juniors joining for a parade and one minute reflection time.
