

# AUTUMN 2019 Newsletter 2

Poppies  
available  
from the  
office.

## Can you help us?

I am sure you have all met Mr John Unwin who is our school caretaker. Recently Mr Unwin's brother in law Mike, 63, suffered a heart attack and his life was saved by a defibrillator machine located at his local gym. As a result of this Mr Unwin has asked if we can help him to raise funds to install a device in our school that would be suitable for use on children and adults alike. We wondered if we could ask for a voluntary donation of £1 for our Nativity Play tickets - which we normally do not charge for. We also plan to have a non-uniform day for children for a small donation to add to the funds. Feel free to let your children dress up as Mr Unwin if they would like! We hope to be able to install the device as soon as possible. Thank you.

Children in Need day this year is on **Friday 15th November**. This is a non uniform day (spots optional) for children and we just ask for a donation to the charity on the day. We will be trying to fill a large picture of Pudsey with pennies so if you have lots of loose change this is a good home for it!

Tickets for the Nativity Plays will be available from the school office on Monday 25th November from **3pm**. We do need to limit tickets to 2 per family as demand is always so high. This year as we have several children who cannot appear in public videos or photos we will be unable to record the performance. For the same reason we would ask that you do not film or photograph the performance - just sit back and enjoy it instead!

Official photographs of all children in their costumes will be available as usual.

## PARENT WORKSHOPS—DATES FOR YOUR DIARY:

Year R Phonics workshop—Friday 22nd November at 2pm

English Workshop for all parents - Tuesday 14th January 9am—10.30am
