

AUTUMN 2019 Newsletter 3

We are delighted to announce that our new look Cabin is now finished and ready for it's first outing hosting a very special visitor on the evening of our Christmas Fair! If you have not yet had the chance to see it I would suggest you take a look - we are so pleased with the extra space it has given us as well as the cover it provides us when walking between the school and the cabin. This has been made possible by a grant given to us by The MoD Covenant Fund and also a lottery grant we successfully applied for. The Cabin will now be used for a wide range of reasons - our lunchtime Forces Fun club, a space for children to eat their picnic lunches in the summer and an outdoor teaching space, to name but a few.

After School Care

Following the success of our Breakfast Club, and after consulting with our Governing Body, we have made the decision to start providing after school care in our school hall. We know that many parents have been asking for this and we now feel in a position to provide it, although sadly it will mean the end of some of our other after school clubs which take place in the hall (please note that Dave's Football Club will not be affected).

We intend to launch this in the Summer Term of 2020 on April 20th. Further details of costs and timings will be sent out nearer the time - however we would like to know how many of you would be interested in using it, as this will help us with our set up preparations. Please contact the school office to register your interest.

Well done!

We raised a fantastic £244.78 for this year's Children in Need, which Pudsey collected on Friday 22nd November.

Welcome to the School

Following our recent election for Parent Governors, we are pleased to welcome the following onto the school governing body, we wish them every success in their new roles;

- ◆ Mr Duncan Baird
- ◆ Mr Philip Hodges
- ◆ Mrs Tanya Daspugeta Hudson
