## Art

- This week in art the children painted their Mythical creatures. They were given the primary colours blue, yellow, red and they were encouraged to mix the colours to find the secondary colours orange, purple and green.

## Visitor

- This week we were very lucky to have a visit from Gemma Hillier. She told the children all about her trip to Qatar to play beach soccer for England. She told the children about how she was inspired by other athletes to take part in her sport and how her team trained. They finished in second place, winning a silver medal.
