

Week beginning 4th November 2019

English

- In English we have been looking at fairy tales. We were impressed at how many fairy tales the children already knew.
- We chose to look at the fairy tale - The Three Billy Goats Gruff.
- In groups the children had the chance to act out the main events of the story, making sure it is in the right order.

Maths

- This week we have been learning about fractions.
- We started by talking about the fraction half.
- The children got to cut a cake in half, they had to make sure that their whole cake was cut into two equal parts.
- We then moved on to shading one half of a shape.
- By the end of the week we were looking at halving numbers.

Phonics

- This week's spelling words are: put, pull, push full and ask.
- We have been looking at the diagraphs **ow**, **o-e** and **oe**
- **ow ow** blow the snow.
- **o-e o-e** phone home.
- **oe oe** I have ten toes.

Geography

- In Geography we have been looking at the United Kingdom.
- The children bought in some pictures of places they have visited in the U.K. and we found those places on our map.
- The children then completed a piece of writing telling us all about the place they visited and the U.K. country it is in.
