

Week beginning 16th December 2019

English

- In English this week we have been learning about poetry.
- We showed the children different types of poem and talked about the similarities and differences. We explored:
 - Rhyming poems
 - Nonsense poems
 - Kennings
 - Acrostics

Maths

- This week in maths the children have been learning to identify the properties of common 2D shapes.

Phonics

- This week's spelling words are: there, where, here and were.
- We have been recapping all of our phase 2, 3 and current phase 5 phonics.

Science

- In Science they children have been exploring using their senses. We had a tables set up with things they could taste, smell, hear, touch and see.

Visitor

- The children have had a very exciting time working with Judo Champion, Kimberley Renicks. They have all had a turn at some circuit training and then had an assembly where they heard all about her sport and how she trains.

**We hope you all have a
wonderful Christmas.**
