

Good morning everyone

I am pleased to report that we have had a lovely calm start to the day, with appropriate social distancing and not a single tear from any child. It is wonderful to hear the sound of children's voices around the school again.

This week the children in school will be having a gentle start regarding learning and so just this once we are not setting our more formal home learning. For those children not in school, the Hampshire home learning pack under home learning on our website has a geography focus and contains some really great ideas. Next week, we will be returning to a more formal type of home learning which will be the same for the children at school or at home. We just want to make sure that we get the balance right for all children. Year 2 children should access this learning pack too.

We appreciate your patience while we adapt to this 'new normal' for the time being. As ever, we are available for any queries you might have.

Best wishes

Jacky
