

Hi

You will shortly receive a link to book your child's call with one of our Early Years teachers. The call will last approximately 10 minutes and is a chance for you and your child to have a chat with one of our teachers. Your child might want to introduce us to the family, show us their favourite toys, tell us what they have been playing with, or they might like us to read them a story. We will be in touch again in the next couple of days to confirm the details of the forum for the video call.

Children have not yet been sorted into classes as we really want to chat to everybody and get to know them a better before we do this, to ensure that everybody gets the best fit. We will let you know which class your child will be in in due course and thank you for your patience with this. This year a tricky job is even harder!

Once classes are confirmed your child will be able to talk with their teacher through Tapestry.

Many thanks,

The Foundation Stage Team
