

Good afternoon everyone.

We have had confirmation today that schools will not be expected to open over the summer for key worker children. I wanted to ensure that our key workers were aware of this information - perhaps grandparents will be able to support by this time but I guess we can't be sure for now.

I am awaiting Thursday's announcement for guidance regarding how schools will be opening in September and will be emailing in more detail on Friday. However all the indications are that children will be returning full time in September, albeit with certain restrictions in place. I know some of you need to know this information in order to make plans for working in September - so whilst I don't want to 'jump the gun' I felt it might be helpful to make you aware of this likelihood (though please forgive me if Thursday's announcement is totally different - it wouldn't be the first time!)

We are all very excited about our Year 2 children re-joining us next week. By then we will have had almost every single one of our children back at school for at least some time, which means we can undertake some of the important transition work we always do at this time of year. I would like to thank the entire staff team who have worked with me to enable this to happen.

Can I give a last call for Year 2 families to order their copy of the year book? The order is being submitted tomorrow. We are really pleased with how it has turned out and really hope every child will be able to have a copy. Just let us know if you would like one - they are £10 each. You can send the money into school in a named envelope when your child returns to school - no rush!

Have a lovely - if wet - evening,

Jacky
