

Dear Parents

Years 1 and 2 have all been told about Hampshire's 'Walktober' event in assembly this week. We would really like to encourage all of our children to take part - including year R children. I have attached the pack again for you to have a look at. The children are being encouraged to do some sort of walking each day in October - it doesn't mean they have to walk to school but we would love it if as many of you as possible could take part in Walk to School week beginning 5th October.

Tomorrow, every child will be bringing home a 'Walktober Challenge Card' to try and complete during the times they are walking. There is more info about it and other competitions on the attached information brochure.

We can more or less guarantee that the start of Walktober will also herald a change in the weather - I've had a sneaky peek and it's not looking good for the end of the week. However, as we say in Early Years, there's no such thing as bad weather - just the wrong clothing! So wellies and waterproofs at the ready!

A reminder that Wednesday October 7th will be our 'Wheelie Wednesday' when the children may scoot to school and leave their scooters parked by the school fences which are around each outside area. We will then 'scoot the mile' instead of walking the mile. We also ask that children bring in a donation towards a scooter store in exchange for wearing sporty/cycling clothes to school that day.

Thank you in advance for your participation,

Best wishes

Jacky
