

Friday 9<sup>th</sup> October

Dear Parents/Guardians,

We are excited to announce that this year we will again be participating in the Christmas Card Project with Art Projects for Schools Ltd (APFS). The project is a great opportunity to raise vital funds for the school as well as an opportunity to recognise and celebrate your child's creativity and the items they make are great to send to family and friends plus they LOVE the opportunity to create something special for you at home.

The artwork your child creates will be reproduced in full colour onto greetings cards that are available in packs of 12. Additional items will also be available, such as a pack of 6 luxury, gloss-coated cards, gift tags and wrapping paper. *Please note that this year no sibling contributions can be accepted.*

Very soon we will be sending your child home with a copy of the artwork they have created, so please keep an eye out for this in their book bag. Please note that the original will remain in school but on the reverse of their artwork copy will be a unique code. To order, you will need to visit [www.apfsorders.co.uk](http://www.apfsorders.co.uk) and input this unique artwork code, along with your child's first name and surname. You will then need to hand back your child's artwork to the school via the book bag, so that the original can be sent to APFS for scanning.

Where possible, please submit orders and return artwork by **Friday 23<sup>rd</sup> October**. Don't worry we will provide you with this information once the artwork has been completed.

Many thanks,
