

Good morning everyone on this beautiful autumn day. I was very impressed to see many of you setting off for a morning run after drop off this morning - perfect weather for it!

It has been good to hear a little more good news recently. The news about vaccines must fill us all with some hope and the end of this current lock down will make life easier for all of us. Here in school things will remain pretty much the same as we continue to be stringent in adhering to our risk assessments! However, I am pleased to say that football training will be able to return on 8th December for Year 1, and 9th December for Year 2. If your child attends these clubs you will receive further details separately.

I also wanted to let you know which films will be showing next week on Thursday 3rd December so that your child can decide whether to attend Film Night or not:
Year 2 - Klaus
Year 1 - Arthur Christmas
Year R - The Flight Before Christmas

If you have purchased the season ticket you do not need to pay, otherwise please send in £2.50 in a named envelope.

We have lots of exciting activities planned for Christmas and you will receive a separate email with further details about these.

We are all amazed at how quickly this term seems to be going - however I don't think many of us will be sorry to wave goodbye to 2020! It may be remembered as one of the most challenging years of a generation, but I hope it will also be remembered as a year when kindness and community became more important than ever.

With love

Jacky
