

Good Morning everyone

I hope you all had a lovely weekend and that the lack of snow didn't cause too much disappointment. I just wanted to share this link with you as it is for Hampshire's School Library Service which has lots of wonderful resources that can be downloaded onto devices. They are also running their Winter Reading Challenge which might be a really good way to get motivated for reading - do have a look.

<https://www.hants.gov.uk/librariesandarchives/kids-zone>

Please do remember that we are here for you if you need anything additional to support your family with home learning. If you would like additional resources we will be happy to provide them. Just ask. We want to help but we can't do it if you don't let us know what you need.

We still are none the wiser about when schools might return - but at least we now have testing in place for staff which I hope is reassuring for you all. One step at a time....

With love from

Jacky
