What are suffixes? Recap and apply rule 1 and 2

Prior to the Christmas break the children carried out a body of work on spelling words correctly that use suffixes. Suffixes are groups of letters that you find at the ends of words. For example ed, ing, est, ful, ment. They learnt 4 different spelling rules. We now need to practise applying those rules when we are writing words outside of spelling lessons. This week we will recap the rules and carry out some tasks where we are practising application.

This is Sammy Suffix. He is the character the children associate with the teaching of suffixes! **Watch the seesaw clip and follow the powerpoint** to take you through the learning journey! Each teaching part will relate to the days of the week and the sheets are attached

Mondays task :

Simply follow the powerpoint and record your responses using pencil and paper.

Now have a go at the Double the consonant **see saw activity!**

Grammar and Spelling

(suffix recap)

Grammar focus: Suffix recap

Spellings for this week: see powerpoint

Monday - path bath

Tuesday - pass plant

Thursday - father

Friday - after fast

Spellings One per day

Look at **spelling powerpoint**. One word per day. Put the powerpoint onto slide show. The slide will reveal the word, then hide it for the children to have a go at writing. It will then reveal the word so they can check it. This happens twice for the same word. Then try to put the word into a sentence. This activity should take no more than ten minutes.

Tuesday

Recap and apply rule 3

Follow the **powerpoint** and have a go at the attached activity!

There is also an activity on **seesaw** to practise this as well!

Thursday

Recap and practise rule 4

Follow the powerpoint! There is an attached activity below as well!

Play the game 'suffix factory!'
