

Phonics and Spelling

w/c 8.02.21

Remember to share
anything you have done
on SeeSaw!

Spellings for this week:

Practicing spelling plurals

(adding -s or -es)

Phonics play

<https://www.phonicsplay.co.uk/>

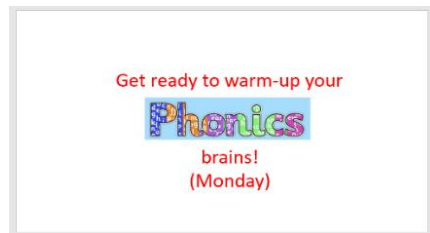

This resource is brilliant, and they have made it free to use again. The children really enjoy playing the games in school. The log in is: **jan21** and password is **home**.

In year 1 we are always revisiting phase 3 and 4 but also beginning to learn some of the phase 5 phonics sounds, so make sure you press on this when playing!

Phonics

This week we are learning about the alternative sounds for 'er' (ir, and ur)

Please see the phonics PPT.

Reading

This week we would like you read to somebody different! This might be a friend or a family member. This might be someone that you live with, or someone over zoom or facetime! Share the love of reading.

Spellings

Have a look at this week's spellings. Can you read them out loud? Have a go at putting them into a sentence orally.

Then practice writing them. Look, cover, spell, check.

You can practice spelling them any way you like: in the air, with rainbow colours, with chalk, or just pencil and paper!

Handwriting

Watch seesaw videos for tutorial

This week we are learning how to form the last of the sliding line group of capital letters:

W V X K Y

We have also attached some lined paper with the kinetic tree on if you would like to use this for handwriting practice.
