PE – Choose a cosmic yoga video to join in with:

https://www.youtube.com/user/Cosmic KidsYoga

OR

Join in with Joe Wicks PE lessons live each day!

This week's wider curriculum learning is linked to the book 'The Zoomers' Handbook'.

Key learning area:

- **PE** – General fitness – get your heart rate up and build up your muscles!
- **Science**- I can identify and classify animals.
- **Computing** - use technology purposefully to create, organise, store, manipulate and retrieve digital content.

Thursday - PE

Chance to Shine cricket would like to engage your children with their sport over the lockdown period. They have produced this video, which focuses on 3 skills, to help children access cricket at home! These can be adapted using equipment from around the house, so get ready to raid your recycling bin for target practise!

This week we would like you to follow the clip below for PE. Don't forget to send us your photos via Seesaw, as we would love to see how they get on.

Monday– Computing

Today you are going to use your computing skills to create your zoomer animal on switch zoo.com! It is really funny to see the different animal mash -ups! Follow the link and you will see a page like below. You can mix up animals by choosing different heads, legs and tails, as well as changing the habiat! This might give you some ideas for your own creature.

Tuesday – Science

Follow along with Oak National Academy Science lesson 5:

https://classroom.thenational.academy/lessons/what-are-the-differences-between-mammals-and-birds-

KS1 - The Animal Kingdom - Lesson 5 – What are the differences between mammals and birds?

Friday – INSET DAY

Remember to share anything you have done on SeeSaw!
