

**BE BOLD
GO GOLD**

Each year we raise funds for a number of different charities. Our children love to be able to help others and this is one way in which they can do that. We always try to support charities that are particularly relevant to our community.

This year we want to support the charities that have helped one of the families in the Stubbington community during the last year as they experience the gruelling impact of childhood cancer on their beautiful daughter / sister.

I know many of you follow the story of their experience on social media “Sophie’s journey” and are keen to do anything you can to help. Please check out their Facebook posts for places you can purchase ‘go gold’ merchandise to support the Children’s Cancer and Leukaemia Group charity or take a look at the website <https://www.cclg.org.uk/BeBoldGoGold>. **Crofton Hammond Junior School have a ribbon box in the school reception where you can purchase a metal ribbon for a £1 donation.**

The month of September is ‘Childhood Cancer Awareness’ month. The children in Hammond and Anne Dale schools are invited to ‘go gold’ for Sophie and other childhood cancer sufferers on Friday 17th September. They can wear gold or yellow. We will ask all children to bring a donation to the fund that day – we are not stipulating a particular figure and instead would ask you to give what you can. The funds we raise will be given to ‘Alice’s Arc’ a charity that has helped Sophie during the last year.
