

Good morning all

We have a very tidy school here today thanks to all the hard work of the volunteers at the weekend - thanks again for all your help.

The news over the weekend concerning the new variant hasn't been great, but for the moment things here continue as they were. If you are visiting school for any reason we will be asking you to wear a mask, which will also be the case if you are coming in to make decorations in the coming days. We will be reviewing this as the week goes on but hope that the precautions we have already got in place should be sufficient. Luckily we had already chosen to do our nativity remotely and our arrangement for the Carol Concert on the 15th should be ok as it is outside.

The other news we have is that The One Show will be in school filming this Friday. They are doing a piece on service personnel who are deployed over the Christmas period and we have been asked to contribute to this. Some of our families are taking part, as are myself, my mother in law Marion and Mrs Bosustow. I am very glad my voice seems to have returned just in time!

The crew are also going to be doing some filming around school so it is really important that we know if you would NOT like your child to be included in any of this 'informal' filming. If you have already filled in the form saying NO to media we will already have your details and will ensure your child is not filmed. However, if you have not filled this in, but would prefer them not to be filmed on Friday, please contact the school office before Friday.

If all goes to plan, we understand that the film will be aired on the evening of 15th December - so we will have to make sure we are home in good time after the Carol Concert!

With love from

Jacky
