For Fortnite's Sake, not again!

Come and join us on a quest to support your child using technology appropriately and safely

Wednesday 27th April at 12:30pm

Join Virtually via Microsoft Teams

Overview:

- Why do children use technology?
- What are the benefits of using technology?
- What are the concerns and dangers of using technology?
- How to implement boundaries around technology
- What to do when it goes wrong…
- How to support alternative to technology (play-based activity ideas)

A follow-up session will also be held, date to be confirmed.
