

We would like to invite our children and school community to join us on two special days, next week, to celebrate diversity, disability and inclusion within our school.

Education is the perfect first stepping-stone in teaching children humility, humanity and open-mindedness in working, learning, communicating, and playing with children with disabilities.

### **Monday 21<sup>st</sup> March 2022**

Is World Down Syndrome Day. The #LotsOfSocks campaign helps to raise awareness and is a wonderful way to celebrate the things that make us unique!

We invite everyone to wear their brightest and boldest socks. Mismatched pairs are encouraged!

### **Friday 25<sup>th</sup> March 2022**

The 26<sup>th</sup> is Purple day, a time to get people talking about epilepsy and raise awareness of the condition.

We invite everyone to wear something purple on Friday 25<sup>th</sup>. However, do not worry if you don't have a purple piece of clothing or item at home, we will make some accessories in school!

UNESCO (2019) describes inclusion in education settings as, "places in which everyone is valued and belongs, and diversity is seen as enriching".
