

Good Morning everyone

I hope you are all well. I am glad to report that, by tomorrow, all of the staff who have been unwell should have returned to school. We do still have a few cases amongst our children but the numbers are definitely going downwards at the moment. Long may this continue.

On a more positive note, I wanted to give you a date for your diaries. We are really hopeful that this year we can hold our summer fair - many of you won't even have attended one of these before! The date we have put aside is Friday 1st July, from 2.30pm - 4.30pm.

We wanted to give you early warning of this in case any of you are able to support us - either on the day or by providing donations. Here are some of the things we are looking for:

- Toys, games and books for the children's tombola (no soft toys please)
- Toiletries and gifts for the adult tombola
- Wine and bottles for the bottle stall
- Larger gifts for the main raffle (perhaps you know a company who would donate something?)
- Chocolate
- A candy floss machine
- Anyone who can provide face painting

We would also love to have vehicles such as police cars, fire engines etc for the children to look at.

On the day we will be looking for people to sign up for half hour slots manning one of the stalls. All that is left is for us to book a lovely sunny day - not too hot and not raining!

We are going to hold our next summer fair meeting on Tuesday 26th April at 9am. At this meeting we hope to get started on some of the preparation and so would love as many people as possible to attend. Pop it in your diary now!!

Many thanks

Jacky
