Deputy Headteacher: Ruth Halbauer

Dear Parents and Carers,

Following the recent Kinetic Letters training session for parents to learn more about how we teach handwriting at our school, we have put together some information and resources to help you support your child.

The presentation slides and handwriting practice sheets for each letter of the alphabet are available to download from our school website:

<https://www.croftonhammond-inf.hants.sch.uk/parents-and-chips/home-learning/>

Your child has also brought home a laminated kinetic letters practice sheet (we are sorry we couldn't also provide white board pens). Your child can use this to practice any of the letters, using a combination of the six kinetic moves. The presentation slides and handwriting practice sheets should help explain how to form the letter using correct moves.

If you would like any further information or guidance, please talk to your class teacher.

Yours sincerely

The Early Years Team
