

## **Jubilee Celebrations**

Hello

Following on from our most recent newsletter, we are pleased to share more details for our Jubilee Celebrations;

### Thursday 26<sup>th</sup> May

Local author Anne Wan will be visiting and reading her book 'Manners Fit for a Queen' to the children. A signed copy of her book will also be available to purchase on the day. Money can be sent in, in a named envelope, via your child's book bag. Alternatively Anne will be available at the end of day and can take card payments as well as cash. Please see the attached flyer for details.

### Friday 27<sup>th</sup> May

Our kitchen will be offering the children a jubilee picnic themed lunch, as per the attached menu. Please note the green option on Thursday 26<sup>th</sup> May will be Vegetarian Lasagne for this week only.

Children are welcome to come into school wearing red, white and blue on this day and in the afternoon parents are invited into school from 14:00. To manage numbers, we can only accommodate a maximum of **2** adults per child. Hopefully, the weather will mean we can all meet in the school field to watch the children singing and dancing in their year groups, before having a cream tea - one per child to be shared with their adult(s). Once the celebration is finished, children can be signed out from their classroom doors. If the weather means we are unable to be outside, then we will bring the celebrations indoors to the hall, but in year groups, at the following times; 13:30 year R, 14:00 year 1 and 14:30 year 2. Nearer the time we will advise if we have to use our wet weather plan.

We are very much looking forward to sharing these activities with you.

Many thanks
