Dear all,

It is with great pleasure that I inform you that Jacky won the Outstanding Contribution to Education Award at the Hampshire Education Awards 2022 last night!

The event was held in The Great Hall Winchester and was hosted by Gyles Brandreth. Jacky fought off some very stiff competition to win the award, which she accepted in front of her daughter and husband who were both beaming with pride (as were Julie Syms and I, as representatives of the School's Governing Body). The photos below were taken after Jacky had collected her award.

I am sure you'll all be as happy as I am that Jacky has been recognised for the incredible work she has put in during her time at the school, and also for the way she has set the school up for continued future success. Well done and thank you Jacky!

Best regards,

Phil
