

23rd November 2022

Dear Parents and Carers,

Christmas Decorations!

We would like to invite you to come and make Christmas decorations in school with your child(ren). The session will take place on the afternoon of Monday 5th of December from 2pm.

The event will be taking place within year groups. Please come to the school office and you will then be shown to your child's class. If you have more than one child in different year groups you will be directed to the hall where you will make decorations with both of your children together.

You will be able to take your child(ren) home at 3pm once the session has finished. Please ensure any afterschool club bookings are amended accordingly.

Unfortunately due to health and safety considerations, space and the cost implications for resources we are only able to accommodate one parent/guardian per child (unless you have more than one child in school). We also cannot accept younger siblings, although we are able to make an exception for very young babies (please no buggies).

If you are unable to attend the session your child will still be able to work as a part of a group with a school adult to create their decorations. We are also happy for your child to work with another parent if this is a pre-arranged agreement and we have been advised.

We look forward to seeing you soon!

Kind regards,

Ruth Halbauer

Deputy Headteacher
