Dear Parents/Carers

Christmas Production

This year we are pleased to be able to invite parents back into school to view our Christmas Production on the following days;

- 14:00 on Friday 9th December
- 09:30 on Monday 12th December
- 14:00 on Monday 12th December

Due to space restrictions in the hall, we are only able to invite a maximum of 2 people **per family** to watch a performance - of course people from the same family are welcome to attend two different performances. Should younger siblings be coming along they will count as one of the two people (unless very small and sitting on an adult's lap).

Spaces will be allocated on a first come basis and once a performance is full, we will operate a waitlist - therefore should you need to change your performance date please contact the office as soon as possible.

Requests for a performance space will need to be completed via an online form. A link to this form will be sent via email and text at 12:30 on Wednesday 30th November 2022. Historically the Friday afternoon performance has always been oversubscribed so please do only select this date if you are actually unable to make either of the Monday performances.

With regards to your child(ren)'s costume for the production each year group will be in contact shortly to let you know if anything specific is required.

We are looking forward to sharing these performances with you.

Kind regards

Sian Hosmer
