

Dear Parents and Carers,

I'm pleased to be emailing with details of our next Service Family coffee morning on **Thursday 27th April, 9-10am, in the hall**. We have arranged for a guest speaker from the MOD who is sharing some different support packages that are available to families, such as memory boxes and family days out. She spoke recently at our school cluster and both Mrs Sanger and I learnt about things we didn't know were available as serving families! So we are pleased to welcome Sarah to our coffee morning where she will share a short presentation and then be available to answer questions. The rest of the session will be an opportunity to catch up with each other over coffee and cake. Me and Mrs Bosustow will also be available if you would like to chat.

This also falls on our Month of the Military Child celebration day within school - letter to follow shortly. We are looking for volunteers from within the services to come and speak to the children about what they do, if you are interested please let me know!

Don't forget you can email videos from family members who are deployed (or weekendening!) and we can turn them into QR codes for our interactive display, which means your child can watch the video in school.

Those of you in KS1 will remember our brilliant trip aboard HMS Prince of Wales last year. We would love to offer our Musketeer children a trip again this year. If you have any ideas or might be able to help arrange us something, please do let me know!

Any videos or offers for help can be sent directly to r.halbauer@croftonhammond-inf.hants.sch.uk

Hopefully you have had home your invite to our family fun event next Thursday (30th) and we look forward to seeing you there.

Best wishes,

Ruth Halbauer, Di Bosustow and Amanda Sanger
