

Sports Day – Friday 16th June

Hello

Please find below key information for this week's Sports Day;

- It is going to be warm on Friday so please ensure your child comes into school with a named hat and bottle, wearing pre-applied sun cream.
- Children should come into school already wearing their sportswear.
- Thank you to those who have already offered to lend us a gazebo. If anyone else can provide a pop up shelter please reply to this email.
- All parents/carers/grandparents/family friends are invited to come into school from 13:15 on Friday. All visitors will need to come in through the front gate and head along the side of the hall to reach the school field. The side gate will not be opened until 13:15 so please do not arrive any earlier. Also, the back gate will NOT be open until the usual time towards the end of the school day.
- At the close of activities, your children will return to class with their teacher and, if required, can be collected straight away from their classroom door.
- Finally, if your child is taking place in the competitive race you will have already received an email advising on the arrangements for this.

Many thanks
