

## End of Term Summer Party

Dear Parents and Carers

Taking place this Friday, 21<sup>st</sup> July, is our end of term Summer Party. Providing the weather is dry this will run between 4pm and 6pm on the school field. Please bring your own food and drink, along with picnic blankets and rugs to sit on and any suitable outdoor games.

Children remain the responsibility of parents for the duration of the party as our staff are only around in a social capacity. To ensure a relaxing and enjoyable event for families, children and staff, please note the following;

- everyone to remain on the infant side of the field
- no playing on any junior school equipment, in the forest area or within the Year R outside area
- whilst children can play on our pirate ship, under your supervision, we ask they play safely and to not climb up the back or jump off

We look forward to creating a lovely finish for this academic year.

Many thanks
