

Musketeers News and Events!

Dear Service Families,

We are pleased to share two dates with you. The first is our *Service Family Coffee morning* in the hall on **Wednesday 7th February** at 9am. All Musketeers parents are invited and you are welcome to bring younger siblings. We will be joined by Lisa Noice our Family Liaison Officer who will be on hand to answer any questions you might have and offer advice.

On **Wednesday 21st February** we are excited to be welcoming the author Talula Grey (aka Bianca Robbins) into school. Bianca lives locally in Portsmouth and is part of a serving family. During her husband's deployment, Bianca wrote a book for her son to help him understand. She has gone on to publish several books for all services, which are aimed at children from pre-school to age 10. Bianca will be coming into school to read one of her books to the Musketeers and talk to them about how she wrote her books. You will have the opportunity to purchase signed copies of her books at a discounted rate to take home.

Attached is an order form detailing all books available to purchase along with a price list and how to order. The deadline for ordering books is **Wednesday 7th February**. Please note that the order form is to be returned directly to Bianca at info@talulagrey.com and payment sent directly via bank transfer. School will not be able to process any payments or forms. Any books ordered will be given to children during Bianca's visit.

We hope to see as many of you at the coffee morning as possible.

The Musketeers Team
