

Due to the decision of the chair Chloe Dedman to step down 21 days' notice was given to all of the school for an EGM to be called on the 19th February 2024 to notify of any applications for the role and also to change to a Friends of the School.

Lauren Hall called to confirm the change to a FOZ and this was second by Claire Applegate and Fiona Knight - this was to enable the uniform sales to continue and also open up to others to join the committee and see this as a positive and enhancement to help us grow and support the children.

A call for a new chair - Claire Applegate confirmed that she would step into this role if she had support with her current role as treasure - this was confirmed that Chloe Dedman would support with these activities moving forward. This was agreed with by Lauren Hall and Kerrie Reid. Lauren Hall to stay in role as Secretary.

Sian Hosmer also confirmed that she would like to make some changes to the items the school wishes to buy with the monies already provided - the new equipment would be for a new pull down projector screen in the hall and interactive whiteboard for the group room, which all children will be able to enjoy and would be covered in the pot of funds they have already received - this was agreed by the whole committee.
