27th March 2024

Dear Teachers and children at Crofton Hammond Infant School,

**Re: Celebrations for World Down Syndrome Day 2024**

Thank you so much for raising £79.35 for World Down Syndrome Day 2024. We really appreciate you rocking your socks to raise awareness for individuals with Down Syndrome. As a specialist and self-funding charity, we very much appreciate support from community groups like yourselves.

Portsmouth Down Syndrome Association is committed to improving the lives of children across Portsmouth and the surrounding areas, by providing friendship, advice and a range of specialist and progressive educational services from birth, which they would not otherwise receive. Through our activities and social opportunities, we help enable children to develop the vital skills they need to succeed and become valued and productive members of society.

Thank you for supporting Portsmouth Down Syndrome Association, your support is much appreciated.

With Kind Regards,

*Alice*
